A leading businessman, Mr Harry Wazara, has absconded with millions of Zimbabwe dollars to the United Kingdom. Mr Wazara externalised more than Z\$13,598,000 in funds he transferred off shore to a bank in the Jersey Isles. He defrauded hundreds of local cell phone users by pretending he could authorise new phone lines at half the cost of local calls and equipment, provided recipients paid him in foreign currency. The unsuspecting people had family and friends abroad transfer money into an account he had overseas. They then waited for their new cell phones, which did not materialise. Police Inspector Warren Maysisya said a warrant had been issued for his arrest. In a telephone call to Mr Wazara, at a secret location in the UK, Mr Wazara was unrepentant, challenging police to "catch him if they can." Meanwhile hundreds of people thronged Wazara's Cell Phone offices at 15 Fife Street, Harare, banging on doors and demanding their money back. Riot police had to be called in to keep the peace.
