**SECTION B (Answer any two questions from this section)**

3. Justify the importance of providing a comprehensive description of a library information resource in facilitating its accessibility and use.
4. Library classification refers to both the creation of a classification scheme and to the application of such a scheme. Discuss.
5. Critique the function of union catalogues in facilitating access to information given the advancement of communication technologies in modern times.
6. Discuss the impact of Online Public Access catalogue (OPAC) to cataloguing in libraries and information centres.
