MARK ALLOCATION

QUESTION	MARKS
1.	25
2.	25
3.	25
4.	25
5.	25
6.	25

1. Identify the different categories of children and show how children's libraries can effectively assist each category to reach the highest possible development level. [25 marks]

2. Critique the following statement by Anna Chitando (2005): "There are three main issues that stand out from a historical analysis of African children's literature. These are didacticism, reliance on oral tradition and promoting a national outlook." [25 marks]

3. Assess staff characteristics that are considered critical for effective service in children's libraries. [25 marks]

4. Discuss the on-going activities as well as special events that may be instituted in a children's library for the benefit of children and young adults. [25 marks]

5. Examine the role of partnerships in the success of children's libraries. [25 marks]

6. Critique the strategies that you would use to raise public awareness of materials and activities offered by a children's library that is under your management. [25 marks]
